Mom lived by example, always thinking of others, willing to help anytime, family, friends, neighbors, constantly reminding us "It can always be worse". Always looking for the positive whatever the situation. I consider myself fortunate to have such a strong and supportive family. Just love those strength hugs . Mom raised all of us to be loving, kind, strong caring individuals. I love you mom

“ *Aunt Anne will always be so inspirational and dear to my heart. The times we spent together at Stonelick Lake, Reds games, trips to Tennessee, knitting lessons, hanging & helping my mom, & always being there for us kids when she had her own brood. She was tireless, passionate, and lived a life rich with faith and high intentions. You will be missed. Love.*

“ *My grandma. She loved Elvis and the Reds. Her giggle made me smile. She was such a hard worker. She always thought of everyone else before herself. She would come to my house every evening after my daughter was born, bringing dinner and ready to give Gabbi a bath for me. She never wanted her picture taken, unless of course she had lipstick on. She prayed everyday. She was a true child of God. I admired her commitment to God and the church. She said her rosary everyday, as long as I can remember. Her strength is what I admire most. I hope and pray that my strength equals half of hers. Grandma, Anne, Mom, You are beautiful. Your smile is contagious. Your love of family is overwhelming. You are the epitome of "family". I just hope we can continue your legacy. I will always love you and I will forever miss you. Until we meet again. Rounding 3rd and headed home. <3*
