

## Daniel Patrick Carroll

December 12, 1947 - November 7, 2016

Daniel P. Carroll was born on December 12, 1947 in Cincinnati, Ohio, to his deceased parents James and Elizabeth (Sanders) Carroll. Dan passed peacefully from this life on Monday, November 7, 2016. Dan is survived by his wife, Patti (Cain), daughter Megan Ewald, son Matthew, son-in-law Patrick Ewald and granddaughter, Adalynn Ewald, brother, Jimmy (Sandy) and sister, Mary Beth Smith (Steve) and many nieces, nephews, great nieces, nephews and cousins.

Dan's greatest love was teaching religion and history to his students at St. Teresa School of Avila. Dan began teaching at St. Teresa School of Avila in 1971 and made it his home for 44 years. Dan taught well over 1000 students during his career including current student's parents. Dan had a very strong faith and his life was an example of what he taught. It was important to him to share his deep faith with his students.

Dan coached basketball, volleyball, soccer, baseball, and football, always the teacher. But he will best be remembered for his enthusiastic cheering from the stands for his own children.

Dan was a selfless man who was well loved and respected by many. He will be missed.

In lieu of flowers, the family is requesting donations in Dan's memory be made to Hospice of Cincinnati P.O. Box 63359 Cincinnati, OH 45263-3597, (513) 891-7700 or St. Teresa of Avila School Tuition Assistance Program, 1175

“ Dear Patti, Matt, & Megan,

*Danny has been a dear friend since my family moved to Seton Avenue in 1960! Dan(and all of the other guys on the street) went to Elder High School and I went to Western Hills! Need I say what that means?*

*The entire Seton Avenue gang had years of fun growing up and we remained close as we started our own families.*

*I will miss Dan so much.*

*May God be with you as your sorrow stings so much and your memories be of comfort for you.*

*I was blessed to have known Dan for so many wonderful years. May he rest in peace.*

“ Dan was a very special man. He will be greatly missed. He fought a good fight. I feel blessed to have had him as a teacher and a role model. I remember so many things about him as student having his as a teacher and as an adult and friend. I remember when he was using the paper cutter in class...I need not say more about that!! Ugh!! I also remember going back to observe classes when I was in college trying to decide what career I wanted to pursue after my mom went back into the classroom and was teaching second grade at St. Teresa. He along with a few others convinced me to go into education instead of business. He alone told me he always knew I'd be a teacher. Just him saying that had a great impact on me. Over twenty five years after my decision, loving seeing my children in class everyday, I can only say, thank you for sharing him with all of us!!

“ *Patti, Matt and Megan, thank you for sharing this special man with me as my co-teacher for twenty seven years. He was kind, generous, intelligent, and loved his coworkers and students. Dan and I worked, shared, laughed and cried together, and I can still hear his booming voice across the hall. He was and will always be a very special part of my life. Enjoy eternal happiness, Dan. You've earned it, but I will miss you terribly.*

“ Although Dan taught me in his very first year of teaching at St Teresa it wasn't until he had my 5 children 20 years later that I realized how much his friendship would mean to our family. Waiting in the school yard for the girls to get out one afternoon, I was distracted as a mom can be and didn't notice Tommy, who was not yet school age, climbing the basketball pole. Dan saw him from his classroom window and came running outside to talk him down. When a Tommy graduated from St Teresa he climbed that pole one last time and left Dan a note thanking him for the memories...and getting him through grade school in one piece!

*Our thoughts and prayers are with you all!*

*With love-*

“ Patti, Matt and Megan - so sorry for your loss. Dan was a wonderful man! A couple memories that always make me smile - showing up Dan and Patti's house dressed as a LaSalle Lancer chanting the LaSalle fight song before an Elder/LaSalle football game; Dan coaching our office softball team--needing to sacrifice the body in order to get outs, trips to The Cherry House and to Nashville, Indiana. Lots of good times and memories. Love and prayers, Marti

He was so sweet when I was a crossing guard at St. Theresa he went the extra mile for me to make sure I was ok and not freezing in the winter. He was also so great at helping with the children that were a bit wild. Will be missed by all. Such a sweet man2

I'm so fortunate to have taught with Dan. His wisdom, patience, kindness, and sense of humor helped students and teachers through stressful times. I'll never forget the sound of his laughter resonating through the hallway. What a wonderful colleague and friend.

*Dan taught my two sons who adored him. He was always so kind to me when I volunteered and worked in the cafeteria. He was so extraordinary when I tried to fill Sr. Clarissa's shoes as school secretary...he was so kind and supportive of me and I hope he realizes how important he was to so very many people... There will never be anyone like him.. Marylyn Brengelman My prayers are with his family who he treasured.*
