“ *Danny and I played a lot of softball together. We played on the best softball teams in Shelby County during the seventies and early eighties. Danny was the best third baseman I ever played with. Dan played with a passion and hated to lose. If any of our teams were arguing or having problems, the fiery red head was probably right in the middle of things. Danny wasn't afraid to speak his mind. Danny was a great teammate and always kept our team loose with his humor and pranks. R.I.P. old friend ! Ron (MO) Morris*

“ He was a Reds fan I was a yankee fan. We would make our own baseball game at Grampa & grandma Daltons house. We all seem to be there just before school started in the fall. We would take small pieces of paper and write on them. Like single, double, triple etc. we played for hours. We would play catch fore ever. Wish you could have made it to a few reunions. Rest in Peace cuz. From the James Dalton family.
