“ *When I was a little girl, I was close with the family. To me Debbie was pretty as a princess. I would always look at her and think, OMG she is beautiful in a way I never saw in anyone else I knew of, (with the exception of TV). She was kind and down to earth which made her simply beautiful inside and out. Debbie will be missed for sure, RIP God Speed Home to your family in Heaven.*

“ *My deepest sympathy to all of Debbie's family. I had know Debbie since we were kids in North Bend. From Connor Elementry through Taylor High School. Debbie and I had reconnected a few years back at a mutual friends Christmas party. I was so happy to see her because we hadn't seen each other for years. My heart is broken that I will never see her smiling face again. You will be missed by many my friend.*
