“ *I only knew Bob for a short time but I believe he was kind and a very genuine person! I am saddened by this since I did not know and could not be there for the family! I hope his only child, his daughter will find comfort in the fact that Mr. Bode had a very long life and he is in his father's hand!*

“ *Uncle Bob, was the kindness man I have ever known.i used to run into him all the time at the grocery store. He always asked how the family was. You got a nice hug also. I have special memories when we lived on Ross. You will be missed.*
