“ I was so sorry to hear of George's passing this morning.
George always had a smile on his face. It did not matter where you seen him, He always made it a point to stop and say hello. I worked for the Robben's family in the late 90's, I will never forget George taking me to the green house to see his Alstroemeria's. He was so proud of those flowers, Which made me love them to this day. We all know George is in Heaven & I bet he will be growing his Alstroemeria's !
