“ Our deepest condolences to Linda and the Hilvert family. Just a few months of knowing Guy for forty years I remember so many times we shared. The laughter, jokes, playing golf and having a great time. We worked together for over thirty years. There are so many countless stories I could tell. If you ever get up there and he asks you to play around I recommend you drive the cart.....Guy you know what I mean! Rest in peace my dear friend. Tim & Sharon Reilley
