“ Well we used to talk about this moment when we were sitting on my deck drinking a beer. I guess I just didn't think it would happen so soon. I am going to miss you and so are my kids. I have been thinking about all of the fun we all use to have, all my memories are so clear today. I know you are with God and enjoying your peace with Him. Heaven is probably nothing that we thought it would be, I just hope Jesus has put all of his knives away (ha ha). I will miss you and so will many other.
My prayers to your family.

“ *My husband and I met Jack when we went to Disney World with him and Shawn Maus. Jack was a very kind, gentle, and just a great all around person. We really clicked with Jack right away. We had the best time with him and Shawn and a few others that went also. This was years ago and I never will forget the great time we had with them. Rest is peace Jack. You are a great person.*
