“ *Kathy's picture should be in every dictionary right next to the word SELFLESS - Having or showing great concern for other people and little or no concern for yourself! Kathy was always happiest when she was helping others and she truly epitomized the phrase "It is better to give than to receive". Kathy never really had much in the way of possessions but that did not bother her in the least. In fact, what little she had, she would gladly give away to someone who had less than her. Whenever I hear the Gospel Story of Jesus sitting in the temple watching people putting money into the treasury, and the women walks up and puts in 2 very small copper coins, I think of Kathy. Kathy was that kind of person - if she was down to her last dollar, she would gladly give that dollar to someone in need rather than spend it on herself. I Love You Kathy and while I and MANY others are grieving our loss, we take comfort in the knowledge that you are with Jesus in Heaven and that you are reunited with all of your loved ones who have entered heaven before you. We all need to follow your lead and your example of selflessness in the hope that we will also be worthy to enter Heaven when we leave this earth.*

*With Love and Gratitude for having been blessed to know you, Tim*
