“ *My late sister, Ann, was married to Bitzy's cousin (I think) Earl Lewis. Ann and Earl lived up the street from Bitzy's family for a while, and Bitzy and I used to play together when we visited Ann. The last time I saw Bitzy was at Ann's funeral in 1993.*

I remember one time we were playing in the grass and got eat up with chiggers! We were both scratching our legs for days.

I never forgot you, Bitzy, and enjoyed the times we had together. Rest in peace my friend.
