

## Mark Richard Santoro

September 28, 1969 - December 16, 2015

Mark Richard Santoro, born September 28, 1969, loving father of Victor William, husband of Becky (Fletcher), son of Anne Power (Bolduc), Gloria (Teal), and Rick, brother of Jamie and Jim (Bitzenhofer), and Phillip and Jackie (Davidson), Greg and Jane Fletcher, uncle of J.P. and Elise Bitzenhofer, Owen Santoro and Jack and Tommy Fletcher. Son in law of Bill Fletcher and Estell, Wayne and Rose Winstead, passed Wednesday, December 16, 2015.

Mark is a Navy veteran, an accomplished drummer, a mechanical genius, and a loyal friend. Most importantly he is a good man. His family and friends have all been blessed with his love, devotion, playful sense of humor, and unending willingness to help. Mark valued family most of all and nurtured his relationships with his many cousins who supported him, took his counsel, and laughed at his zany observations.

Mark has been given a loving and comforting welcome from his relatives who preceded him; Gigi and Carm, Bill and Barb, Ed and Rose, and Uncle Bill.

We are all the more because of his life and have been made less because of his passing. Each of us is now responsible to go forward, keeping Mark in our hearts and in our character, so that his immortality is assured.

It is now time to rest.

Memorials may be made to the Janet A. Santoro Foundation 9920 Indian Springs Drive Cincinnati, Ohio 45241.

“ Mark Santoro was a amazing friend, great Father and a loving Husband. I remember Ronda inviting me to see him play. I had not seen him for like 20 years . It was like not a day had gone passed . We went and bought his Kawasaki and started riding . Meet his Lovely Wife Becky and their little boy Victor. Had some good times together. Love to see him play the Drums. Love you Brother. Going to miss you.

To Becky & Victor

I can't find the words to say. I'm deeply sadden and sorry for your loss of such a wonderful Husband and Father. If I can help in any way please just let me know.

Love and Prayers to Both of you and your Family.

“ Our days of living together at the "riot house" were some of the most memorable of my lifetime {both good AND bad} but mostly good. Loved playing with you at all the open jams, and all the laughs and debauchery we shared over the years. I'll miss you forever brother!

“ I met Mark when he was touring with the Johnny Cash tribute band and I was a house lighting director in Wisconsin. I can honestly say that the music became secondary in it all. Every time we got the chance to work together it became more like a family reunion as it was the way he treated and respected me, and I the same. I wanted to let his family and friends know the genuine good heart he had when out on the road, and about one of the lives he impacted with his musicianship, professionalism and his friendship. He will continue to remain on my "Top 10 List of Human Beings Extraordinaire" until I leave this plane of existence. I felt his legacy while he lived, and feel the loss of his passing.
