“ *To Paul Berting:*

I came across your mother's obituary by accident. Even though we really didn't know each other, I've always remembered when your father died in 1974. I was in the same religion class as you. You mom and dad are now together. My sympathy to you and your family.

“ *We are so sorry to learn of the death of your sweet mother. We have many happy memories of Don Lane and all the wonderful neighbors. We are in Wisconsin for the summer, but we wish we could be there with you for the services. We will offer our Masses and prayers for you and your mother from afar. Our thoughts are with you.*

*With love,
Michael and Maureen Schultheis*
