“ Dear Bruce, Laurie, David, Michael and your wonderful family, all of you are in my thoughts and prayers. Melody came into my life not even Two years ago, but her Spirit and love and friendship have forever changed my life. We shared a lot in such a short time, and I truly felt blessed to have found someone with the kind of love for life and her family the way she does. Her ongoing focus in taking care of others was so obvious, and of course , the Tremendous Love and devotion we both share for Grandchildren brought a lot of joy. She had my late night habits, and I'll miss our chats and texts. May you all have comfort in knowing Melody is in Heaven, and the love she had for all of you was truly immeasurable. I miss her every day, but know her eternal life is fabulous. Love to you all,

“ Dear Bruce, Laurie, David, and Michael,

*Melody was so special. She just kept coming back into my life at all the right times. Fun times like all the slumber parties, serious times like when I would stop by her home on the way home from UC after my Mother had passed, happy times like the lovely baby shower she had for me when I was pregnant with Greg, joyous times like when Melody and Bruce came to Rick's wedding, caring times like when I asked her to come with Bruce to our home to help plan Jim's funeral. No, we didn't see each other often in recent years but when we spoke I always felt I was speaking to a unfailing friend. She had the insight that comes from being the daughter of a doctor and nurse, and the soft and caring touch that comes from being the wife of a funeral director. I am already missing her dearly.*

*To the four of you and your families, Greg, Rick, and I send our deepest sympathy. May God uplift you and comfort you in your sorrow. I am sure Melody is looking down at you and very proud of you all.*

*With love,*

“ Bruce - My goodness, old friend, my heart and soul aches for you. You and Mel, 50 solid years, a marriage that is and now was the envy of many. I rarely met a couple as nice and compatible . . . you and Mel, very, very good people. Someday when you have time and life settles, I'd love to talk w/ you. You would have great insights on this biggest of transitions, both from your life's business and now sadly from a personal standpoint. Be of good courage; you will be on my mind for a long while.
