“ Asking for the Lord to comfort each family member as they go thru the days ahead. Mike was friendly, and loved his family dearly. I am dean of academics at Chad's Hope and found Mike to be helpful and one searching to find his way.

“ *What a sad day it was when I learned of your passing.....it seems like just yesterday I was picking you & Adam up from school with Morgan & Eli in their car seats. You were always taking care of Morgan and she loved when you would show up at her basketball games. You have always been great with the kids and especially Lucas & Ava! I never thought we would be saying goodbye to you so soon.....I still remember the day that your mom was so panicked when you were little because they could not find you, that day you were found hiding in the car In the driveway. Oh how I wish I could tell your mom that you were just hiding in their car again.....RIP Mikey <3*

“ We've known U since U were a little boy! A 'wild child' just like our own kids, coming over in the morning before school when ur mom worked, running around the neighborhood with the other kids, tossing ball and shooting hoops with ur dad, then U as a dad with Lucas & Ava! It will never be the same looking outside knowing we'll never see U physically again! Rest In Peace now, Mikey...Ur anguish is long gone <3
