“ I am so sorry for your loss. I have nothing by fond memories of Phyllis. She has been my moms best friend for fifty years. She will be missed by many. Calab, she loved you so much. Spending time with you brought her so much happiness. She talked about you all the time. May all your memories bring you peace and happiness.

I just found out about this. My deepest sympathies to her family & friends. Esp. to sweet Caleb who she adored. I used to do Phyllis's hair and became very fond of her. I cherish a special gift she gave me , a candy dish with Christmas lights that I use as a night lite and think of her when I turn it on. This is sad news, she was a special lady.
