“ Sister Phyllis her name brings sweet memories to me of her in so many ways. When Bud and I started going to Linwood faith Tabernacle 4950 Eastern Ave 16 yrs ago this past Jan. 2016 she came to us every church service made us feel so welcome with her warm smile and sweet personality. She done this for a long time. I enjoyed so worshipping with her I stood by her on the pulpit when she lead singing and what a wonderful singer she was and still is now singing in the heavenly Choir. Sister Phyllis would make a big container of home made peanut butter fudge and I loved it made me think of my Moms. I would say Now Sister! You are gonna make my fudge for me for the church get together she would smile that sweet smile I loved so much. And be sneaky and say I might. But ! I knew she would do it. She would come to me and say be sure you get you some to take home I made it for ya she even on some occasions brought me a container of it. Bud remembers that so well. I missed her so much yrs later when she left the church it took me a long time to get use to that I had called her a few times told her how much I missed her and the whole family. I spoke to her on the phone several times at long ago she was so glad to hear from me And had some nice chats I am so glad we shared that time together on the phone. Sister Phyllis you be so missed by your family this I know. But ! We have that Blessed Assurance we one day will be reunited never to separate again. So Bud and I want to express our deepest sympathy to them from the bottom of our hearts. Much love to each and every one who reads this post who was honored to have known her in this life. May God comfort each and every one. Rhonda and Bud Rowland.
