“ To My Little Momma,

So sorry we lost our Pops! He worked so hard all his life to give us a good home and take care of you; he always made time to listen to us, helped us with school work, getting jobs, giving advice and was our main disciplinarian...but you, Little Momma, were and still are the backbone of our family. You are the saint that took care of us, never judging anybody, loving all of us the same and meeting our individual needs. Now, it is our turn to take care of you and help you live the rest of your life in comfort. While my love can't replace Pops' love for you, always know that you are the BEST mother in the world to me! I appreciate everything you do for me and I love the closeness of our relationship. (I'll never forget what you said to me....never let anybody come between us!) You are my ROCK, Little Momma, always have been and always will be. I love you so much! Don't be afraid; Pops is watching over us and he knows you will be taken care of and carry on his legacy. You are such a strong woman!

*With my everlasting love to you and Pops,
Julie
(Your 3rd daughter and 4th child of 7)*
