“ *Please accept my condolences. My deepest sympathies go out to all of the Family. Bob will stay in my heart and my mind forever. I first got to know Bob in 1985. I was an exchange student and Bob and his family hosted me for an entire year in their home. They accepted me in their family just like a son. Bob is such a supportive, friendly person and has been almost like a father for me. He has visited me, my family and friends Germany many times and we have visited him many times in the USA over the past 3 decades. He has become part of MY family as well! I always liked Bobs humor and we could chat about the stuff for hours. I am very grateful that I got to see Bob one last time in November of this year for a few days. We had a great time - again - sharing all the great memories of the past. He is a great, great person and will be missed!*

“ *The loss of someone dear is never easy. We can just cherish the memories.....I have many wonderful memories of Bob. He was so kindhearted and had so much wisdom. He loved his baseball and his sports. He loved his family. I will remember the good times.....the laughter. My prayers and thoughts are with you. Love, Mindy*

“ *Bob: a great person! Funny, always happy, cheerful, a great man, friend; always there for you! I met him in 1986 as an exchange student, with another family; became immediate friends. He visited me 3 times in my country Uruguay and we met several more times in the USA: in Cincy, Sarasota and Miami. Always great to be with him. I went to P&G with him, to his job; also to the Reds game. I LOVE YOU AND WILL MISS YOU LOTS, ALWAYS IN MY MEMORY!!!!*
