“ I am very sorry to hear Sue has passed away. She was such a warm, caring person. I will miss her, and what she brought to the Kids Clubhouse Team.

“ So very sorry for your loss. Rachel & Jacob I met you years ago at the Vineyard in tri County where your mom volunteered with the kids. Sue was a joy to be around she always had a smile on her face and loved working with the kids. She talked about the 2 of you all of the time she was beyond proud of you. Our love is with you during this time of loss

“ My sister has taken dad to church every Sunday she was not working for over a decade. First going to St. Susanna then to Annunciation. For the last few years, she would then join us for dinner on Saturday. Promptly at 8:00 she would look at us and say, got to go. I drove her the other day to dad's and she said "Seem's Sew Easy". Then she told me of how she sewed 'Angel Dresses.' God bless and watch over her.

“ *I am so sorry to hear Sue is no longer with us. Just last December my son and I went to the Messiah Sing Along in Terrace park, my first visit there. Sue was there with her music book and sat next to me for the concert. She was so happy to be there and praising God with music. I will always remember her big smile and love for the music. God be with all her family in these days to come. May the memories you hold help you through the sadness and know you will see her again someday in heaven.*
