“ To the Proft family, Please accept my condolence for Tom's death. I thought the visitation started at one and I got there about 1:15. I knew I was wrong because the lot was empty. I went to the door and asked if I could sign the register but it was gone also. I only went to high school with Tom and I have to tell you he was one of the nicest guy I ever met. Everybody liked Tom, just a good guy. I am so sorry I did such a stupid thing and missed his visitation. God will no doubt bless him.
Take care, John Sennet
