Crystal and Amanda, We are so saddened by the loss of your beautiful son and brother. We know words mean very little, but we are here for you. May you find some comfort in knowing you have the prayers of thousands of mothers.

*I carried my son under my heart
Never dreaming life would tear us apart
Never dreaming his light would be so brief
Never dreaming our family would feel such grief*

*Shattered dreams of what my son might have become
Shattered dreams of his life barely begun
Shattered dreams, an aching hole is only the start . . .*

Yet, I was blessed. I carried my Todd, under my heart

You will carry Todd with you always, I know, I know
